

International door to door Beta freight Express

Betafreight is now part of the Sodexi family which is the world's top-ranking express freight carrier. As a result all Betafreight Express consignments are now routed via Air France on a must fly priority basis into the Sodexi hub in Paris. All consignments are then data captured and sorted for distribution worldwide. Sodexi employs specialist delivery agents worldwide and cover every corner of the globe. In celebration of Betafreight joining the Sodexi family the company is running a number of special offers.

Try us

The first special offer is Try Us. Here your first 0,5 kg document consignment will be delivered free of charge to any destination world wide.

Like us

The second special offer is the Like Us package. Where for every ten document consignments sent through Betafreight then your eleventh 0,5 kg consignment will be sent free of charge to any destination worldwide.

Love us

The third special offer is the Love Us package. There are two different offers in this package. The first is if you spend R20 000 per month for three consecutive months with Betafreight you will receive two free domestic air tickets to any destination within South Africa.

The second is if you spend R50 000 per month for three consecutive months with Betafreight you will receive one free international ticket to any destination within Europe.

As per usual terms and conditions apply to these offers, a copy of which is available upon request.

Also remember all business is undertaken as per Betafreight's standard terms and conditions.

Sodexi

Sodexi, the world's top-ranking express freight carrier is 60% owned by Air France. The company has opened a 20 000 m² express cargo hub at Paris' Charles de Gaulle airport where it has an ISO 9002 certified sorting centre.

Express freight involves shipping a parcel in the shortest possible time frame, clearing it through customs and delivering it. Your parcel is tracked all the way and the customer is informed of its status in real time. ♦
